

RAJASTHAN

UDAIPUR RURAL (ST) Assembly Constituency

Potential for Forest Rights Act Implementation

This map and list of villages eligible for forest rights (individual and collective) under the Forest Rights Act seeks to inform the political parties and candidates about the importance of proper implementation of Forest Rights Act in this tribal and forest dweller dominated constituency. All the forest land within village boundaries should be recognized as Community Forest Resource rights (CFRs) and individual forest rights (where occupancy prior to 2005 existed) rights under the control of FRA Gram Sabhas.

The list of villages includes the number of total potential right's holder, SC Right's holder and ST Right's holders under Forest Rights Act, and the area of forests (minimum) where FRA rights are to be recognized.

The winning margin was around 13,764 in 2013, whereas there are at least 1, 06, 154 Potential FRA Right Holder Voters eligible for FRA rights recognition. The electoral data clearly shows that the political parties need to raise the issue of Forest Rights Act implementation on the ground.

Villages with less than 50 ha. (125 acres) under FRA	
Villages between 50-100 ha. (125-250 acres) under FRA	
Villages with more than 100 ha. (> 250 acres) under FRA	

Assembly Constituency FRA Potential Consolidated

Minimum number of villages having forests and eligible for FRA rights recognition	109
Total population of potential forest rights Act (FRA) rights holders in the Constituency	1,86,299
Number of Potential FRA right holder Voters Total	1,06,154
Number of potential SC FRA right holding Voters	4351
Number of potential ST FRA right holding Voters	70,926
Total Area of forests eligible for recognition under Forest Rights Act	33,392 Ha

UDAIPUR RURAL: Election Results
